SEMINAR and WORKSHOP

TOPIC : ***Biological Indicators – A critical tool in validating Sterilization Processes***

DATE : Saturday, 2nd February, 2013

LOCATION : Baddi, H.P.

Dear Customer,

It is our pleasure to announce a Workshop on **Biological Indicators – A critical tool in validating your sterilization processes** including important topics like calculation of process lethality, choice of appropriate BI etc.

Microbiologists, Formulations R &D, QC/QA Managers, Production Managers, Validation Managers and Regulatory Managers will find these topics useful and helpful in validating sterilization processes.

We look forward to seeing you at the workshop. Please contact the following to confirm your presence.
